## Safe Cracked, \$650 is Stolen

IPC is Victim; Armed Woman Bandit Stages \$30 Stickup Here

(Picture on page 7)

A \$650 safe burglary discovered this morning and a \$30 armed robbery staged here last night by a woman bandit, along with nine auto thefts, were among a series of crimes reported to area authorities over the weekend.

Burglars peeled a safe in the office of Illinois Power Co., Niedringhaus and Delmar avenues, and escaped with about \$650, it was discovered about 8 a.m. today. None of the merchandise was disturbed.

Entry was gained through the basement door at the rear of the office where the lock was broken. An accounting to determine the exact amount of money is under way.

**Service Station Robbery**  
An armed woman robbed an attendant at the Collinsville station, 1659 Madison avenue, of \$30, it was reported at 7:40 p.m. Sunday by Ivan Calvin, manager.

She wore a paper sack over her head and concealed a gun with a towel. The gun was a German luger. She took the money from Joseph Meek, the attendant.

Calvin said she asked him if he had any money, and he said he did. She then ran out to a car driven by a man, and the pair fled along 17th street.

Smith, who first thought the hold-up was a joke, described her as being 20 to 25 years old. She was wearing a red and black jump suit.

**Five Autos Stolen**  
Auto thieves were busy as five vehicles were reported stolen on Thursday.

Included were a black-over-white 1968 four-door auto owned by Tony Lacandura, 3010 Kirkpatrick, a white 1968 four-door auto owned by Edward P. Keyron, 2908 State street, and a white 1968 four-door auto from his home.

William Poellner, Breese, a white-over-blue 1961 four-door auto from Granite City, Harvey Phillips, 175 (c) Edison avenue, a white-over-yellow 1964 convertible coupe from the lot at 16th street and Madison avenue, and a white and blue 1960 Kirkpatrick Homes, a white 1960 four-door auto from his home.

A 1962 four-door auto belonging to Emmett Wohle, 2001 Edison avenue, was stolen Saturday while parked in the vicinity of the YMCA. Also reported Saturday was the theft of a white and blue 1960 Lincoln of James Gibbs, 2145 Lynch avenue. It was taken

## Smith, Ogilvie Meeting Today On Senate Post

Illinois House Speaker Ralph T. Smith (R-Alton), a native Granite Cityan who admits it always has been his dream to serve in the U. S. Senate, was to confer in Springfield this morning with Gov. Richard B. Ogilvie concerning a successor to the late Senator Everett M. Dirksen who died Sept. 7.

Rep. Smith, who considers himself a "front runner" for the appointment, which must be made by the governor, has said he thinks his appointment is a "real possibility," and that "I'm optimistic about my chances."

Gov. Ogilvie is expected to announce the appointment of a successor to Senator Dirksen this week, but whether the selection would be made or announced today was not indicated by the governor's office.

Whoever is picked by the governor must run in the general election in 1970 and win if he is to continue in the Senate. Smith is Dirksen's term which expires in 1974. Republicans have observed a tradition of having one senator downstate.

## Two Main Opponents

Principal opposition to Smith are Illinois Attorney General William J. Scott who is from Cook county, and Cong. John Anderson of Rockford, both upstate residents.

Rep. Smith, a close friend of Ogilvie, headed the governor's downstate campaign during the gubernatorial race last year. He also played a key role in steering Ogilvie's legislative program, including the creation of the House during this year's legislative session.

Smith, reached at Springfield today, discounted a Chicago radio news cast that Gov. Ogilvie had offered the senator post to Scott, but that the attorney general had not yet responded.

"I have heard so many different stories and rumors that I don't know what they are talking about," Smith said. Scott is reported for the appointment by the Chicago Tribune.

Rep. Smith is a graduate of the Washington University School of Law. He has been a state representative since 1954 and has served as Speaker of the House during the last two terms.

During his tenure in the legislature, Smith has introduced legislation which has been a source of pride to those he co-sponsored with other area legislators creating the southwestern corner of Southern Illinois University.

## Two Venice Men Plead Guilty to Burglary

Clement West, 22, and James King, 24, of 99 Weaver street, both of Venice, pleaded guilty to charges of burglary Friday at Madison county court.

They were charged with burglary at the New Way grocery store, 1051 Douglas street, Venice, last July 28. West also is charged with burglary and arson at Bascum's grocery store, 1001 Logan street, Venice, in July.

They asked for probation, and a hearing date is to be set upon completion of an investigation by the probation department. A jury to hear the case was selected Thursday afternoon before the pleas were entered.

They are charged with burglary at the New Way grocery store, 1051 Douglas street, Venice, last July 28. West also is charged with burglary and arson at Bascum's grocery store, 1001 Logan street, Venice, in July.

## 17 Injured in 24 Weekend Traffic Crashes

Three youths hurt when the truck in which they were riding struck several parked autos were among 17 persons injured in 24 traffic accidents in the Quad-City area during the weekend.

Three persons were injured when a panel truck driven by Philip H. McGovern, 16, of 2518 East 27th street, struck the rear of Raymond H. Bay, 250 Cleveland blvd., parked in front of their homes at 3:40 p.m. Sunday.

Hurt were McGovern and two passengers, Michael Johnson, 16, of 2601 Lincoln avenue, and Kenneth Yardley, 16, of 2519 Sheridan avenue. They were admitted to St. Elizabeth Hospital.

Bay's McGovern's legs were pinned in the truck. He suffered abrasions to his left elbow and both legs.

## Withdrawal in Con-Con Race Cuts Field to 8

Only Quad-City Area Candidate Quits; Residency Questioned

Withdrawal of the only Quad-City area candidate from the race for nomination as delegates to the Illinois Constitutional convention from the 53rd Senatorial district—after it was found he failed to meet residency requirements—highlighted the final week of the campaign which got under way today.

Charles Michael Meador, 26, of 4149 Division street, one of nine candidates to file petitions of candidacy in the 53rd district delegate race, announced he is withdrawing because he has insufficient time to make an active campaign, but denied he got out of the campaign because of any question raised over the residency issue.

Meador announced that he is recently married, has just moved from the Division street address and would not have time to actively seek nomination.

He told the Press-Record that he was aware the fact that he voted from an earlier East St. Louis address to the 53rd district before he moved to 4122 Lake drive in Granite City and that he had pointed out the matter to the secretary of the district of Springfield when he filed his petitions of candidacy in the Con-Con delegate election.

## CD Radiological Exercise Held Saturday

The Wilson Park softball diamond at 26th and St. Louis streets was used for an entirely different purpose than recreation on Saturday afternoon.

Presence of a large number of uniformed auxiliary police officers attracted the attention of passing motorists and area residents.

## Youth Snatches \$5 From Shopper's Teeth

Brenda Phelps, 2088 Wayne avenue, reported at 12:35 p.m. Sunday that a youth snatched a \$5 bill she had in her teeth while she was shopping at the W. T. Grant store in the Nameoki Village shopping center.

She said she chased the boy around the store but to no avail. He was described as being about 15 years old. He had long sandy hair and was wearing large sunglasses and a blue and white striped shirt.

## Six Undergo Surgery At Local Hospital

The following are recovering at St. Elizabeth Hospital from surgery which they underwent this Thursday:

Dusty King, Caseyville, Ill.; Era Hughes, 630 East 24th street; Patricia A. Gill, Caseyville, Ill.; Helen L. Hubble, 2415 Cardinal avenue; Henry C. Gant, 2903 Wayne avenue; and Sheila M. Jones, No. 2 Kaseberg Park.

## Zoning Hearing for Station KCB Continued

A hearing on a petition by the Vic Way Broadcasting Corp. to rezone a tract of land for radio station KCB on the Otto Romann farm near Granite City was continued this morning by the Madison county zoning board of appeals.

A new date will be set when the Vic Way and opponents to the location of the station are ready to prepare their cases and at the convenience of the board. The time duration is set to exceed six months. The firm is seeking to rezone property along the Chain of Rocks canal levee from agricultural to commercial (C-2).

## THEODORE TODOROFF ICDC President

rektor has held the post of ICDC president-elect since last December. He is the first part-time CD director to serve as president of the Illinois CD Council.

Meeting jointly with the ICDC for the annual three-day conference, the Illinois Women's Civil Defense Council named Mrs. Martha K. Baumberger of Evanston as council president. Mrs. Ann L. Dougherty, Chicago, president-elect. Mrs. Eileen Freid, Alton, recorder and secretary. Mrs. Louise Tilford, corresponding secretary; and Mrs. Melba Reipert, treasurer.

The Women's Council officers were installed by Gilbert J. Leonard of Terre Haute, Ind., president of the U. S. Civil Defense Council.

Todoroff succeeded Philip J. Bailey, LaSalle county CD director, who formerly served as mayor of Ottawa, Ill. Paul Boecker of Naperville was named president-elect in a contested race for the office. The new ICDC officials were installed by Col. C. B. Buckner of Aurora, Region Four vice-president, USDC.

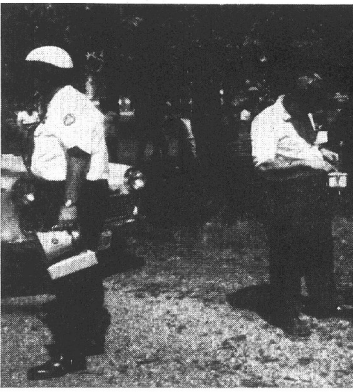

A management analysis by the U. S. Army Aviation Material Command, Todoroff served as Granite City deputy CD director.

## Auto Hits Pole, Signs

An auto driven by Larry Bailey, 2615 Madison avenue, struck a utility pole and two parking signs at 1:10 a.m. Saturday in the 3000 block of Madison avenue. He was not injured.

## CD Radiological Exercise Held Saturday

The Wilson Park softball diamond at 26th and St. Louis streets was used for an entirely different purpose than recreation on Saturday afternoon.

Presence of a large number of uniformed auxiliary police officers attracted the attention of passing motorists and area residents.

## Tests for CD Units

Saturday's exercise, the first to be conducted for some time outside the CD headquarters at 1411 Nineteenth street, tested and evaluated the effectiveness, knowledge and performance of both the CD radiological monitoring teams and related action by the auxiliary units.

Responsible for planning the overall exercise was Harold Mayfield, assistant civil defense director for Granite City. Mayfield, a member of the unit for 12 years, also holds the posts of radiological and training officer.

The drill began shortly after noon Saturday when a simulated radioactive source, used in the exercise, was removed from a vault and transported from civil defense headquarters at Wilson Park, with motorcycle escort.

The Cobalt source, contained in six capsules, was obtained several years ago by the local CD unit from the National Office of Civil Defense for training purposes. The radioactive material was transferred in double lead-lined containers, or "cans," through scheduled radiation control at scheduled intervals.

The total quantity of Cobalt 60 used Saturday is equivalent to five milluries of relatively low intensity. Mayfield explained.

The Cobalt 60 element, with a half-life of five years (radioactive decay rate) has reduced itself in intensity by more than half since it was first obtained, he said.

**Extreme Safeguards**  
No efforts were spared, however, to ensure careful handling of the radioactive material which still is dangerous if safeguards are not enforced.

A civil defense staff truck was used to transport the source in its lead pig shield to the exercise area.

The vehicle was escorted by the ten-member auxiliary police unit also are members of the Provost Guard of Alton and the local CD group.

Shrine Temple and became a full-scale local CD group last winter after taking part in auxiliary police training under supervision of Granite City police department, Mayfield said.

The radioactive capsules were placed in pre-arranged positions around the softball diamond by Mayfield and Charles Fisk, chief of CD rescue and a trained monitor.

Eighteen radiological monitors who assembled at 12:30 p.m. Saturday at the CD headquarters at 1411 Nineteenth street, were equipped with a personal dosimeter, a hand amplifier and Geiger-Mueller radiation detector received during exposure.

## Settlement Of Dispute Lets GC Schools Reopen

2-Year Agreement Reached; Pupils to Begin Term Tuesday

## Employee Status Issue Debated in Court Testimony

Resumption of an injunction hearing Saturday was canceled due to the settlement Friday of contract disagreement that had resulted in a three-hour court session on the issue Thursday afternoon.

Only witnesses heard were Granite City School Supt. Bob J. Davis, School Board Secretary Donald Stucke, Robert L. Johnson, president of Teachers' Local 743, and William F. Folscher, a parent who related conversations with teachers outside Niedringhaus grade school on the day the school system tried to start classes Sept. 9.

Two Belleville attorneys, Harold B. Jr. and Ray Frank Stucke, represented the school district and the union, respectively. Robert Francis, a Granite City attorney, also was at the counsel table on behalf of Local 743.

A capacity audience, composed mostly of teachers, maintained almost total silence in the Edwardsville courtroom at the request of Associate Judge Foss Meyer of Bond county.

## Resigned or On Strike?

Whether teachers in reality had resigned or were striking. Letters and other documents submitted by the two sides exceeded a dozen, and there were frequent objections about the relevance and testimony of each sustained and others overruled by Judge Meyer.

Stucke obtained several orders interpreted as indicating that teachers still regarded themselves as employees.

## 2-Year Agreement Reached; Pupils to Begin Term Tuesday

Teachers absent from previous orientation sessions attended today and normal school operation is to begin tomorrow in the Granite City school district following settlement Friday of a teacher contract dispute that had delayed the fall term for three weeks.

Students will attend for a half-day Tuesday and then have full-day classes Wednesday and thereafter. Varsity football will begin with a game here at 8 p.m. against Stephen Decatur high school.

Pupil starting times will be the same as those announced when an attempt was made to start school Sept. 9.

The hours for students tomorrow will be 8 a.m. to 1 p.m. at the high school, 9 a.m. to 12:30 p.m. at Coolidge Junior high; 8:30 a.m. to 12:30 p.m. at Central, Grisham and Prather Junior high schools; 9 a.m. to 12:15 p.m. at Lake grade school; and 8:45 a.m. to 12 noon for all other grade schools. Handicapped pupils will be dismissed at 11:45 a.m.

The settlement covers a two-year period ending June 30, 1971.

## Informal Discussions

It resulted from informal conversations occurring Thursday evening at a meeting of American Federation Teachers Local 743 in the Granite City high school auditorium, where a single dissenting vote was heard.

The detailed salary and working agreement is being prepared for formal board adoption this week or early next week. Teachers have been urged to approve it.

Classes Next June  
The revised closing date may be June 1, two weeks later than normal. Some adjustments are to be made in holiday vacation periods.

Monthly pay will range from \$794 for a starting teacher with a bachelor degree to \$1444 for a teacher in his twelfth year with a master degree including 190 credit hours. In addition, those who have returned after teaching in 1968-69 or longer will receive cost-of-living pay of \$16 monthly.

In 1970-71, the pay range will be \$833 to \$1500 monthly. For those with prior service, the cost-of-living reimbursement will be not quite \$33 monthly per each half of 1% of inflation.

A committee of teachers is to submit curriculum recommendations. The group will not be paid for such study and work by the district as they occur in the summer.

**\$7, \$8 Summer Pay**  
Teachers who conduct summer classes are being advanced from \$6.15 hourly to \$7 retroactively. They worked either 160 or 140 hours during the week period and thus will get an extra \$8 or \$119.

The hourly pay will remain \$7 in the summer of 1970 and then advance to \$8 in the summer of 1971.

Other adjustments have been made in the working agreement, some in line with provisions by the district and some conforming to requests by the teachers.

Medical hospital insurance paid by the district is being increased from teachers to their dependents.

## MORE ABOUT Withdrawal

Mr. and Mrs. Charles V. Meador of Granite City.

His withdrawal leaves a field of eight candidates from which 53rd District voters will nominate four delegate candidates in a primary election Tuesday, Sept. 23. Two convention delegates will be elected from among the four nominees in a runoff election Nov. 18.

The 53rd Senatorial district includes the Quad-City townships of Granite City, Venice, Narnes and Chouteau, and six other Madison county townships—Edwardsville, Godfrey, Alton, Joplin, Pin Oak and Wood River. The area includes 114 of Madison county's 186 voting precincts.

**Elections Statewide**

Final arrangements for the balloting were under way today by Miss Hotz's office which will conduct the special election. Similar elections will be held statewide in all 58 senatorial districts of the state. Polling places will open at 6 a.m. and close at 6 p.m.

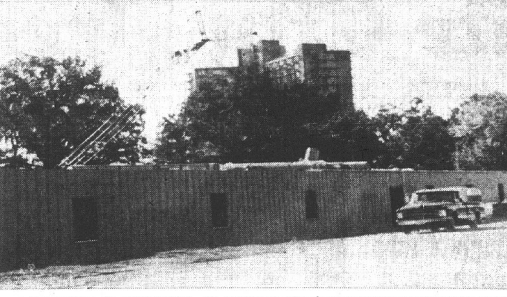

Meador was the only candidate from the Quad-City area. Of the remaining candidates, four are residents of Edwardsville, two are from Alton, one is a resident of Troy and the other of Wood River.

The Illinois Constitutional Convention, called by the state legislature to rewrite the state's 1870 constitution, currently is scheduled to convene Dec. 8. The convention will consist of 116 delegates, two from each of the 58 senatorial districts. Candidates seeking the Sept. 23 nominations in the 53rd District are:

Victory L. Darnell, 30, of 503 Bollman avenue, Edwardsville, deputy director of the Madison County Economic Opportunity Commission. Darnell has a bachelor degree in psychology from Southern Illinois University-Southwestern campus. He is married and has no children. Darnell advocates year-long sessions of the General Assembly to replace the current six-month biennial sessions, and says he is in favor of revising the township supervisor form of government to the county commission form. He also favors lowering the voting age to 18.

**Only Woman Candidate**

Mrs. Dorren D. Young, 47, of 3003 Brown street, Alton. She is the wife of Dr. Lafayette Young Jr. and has five daughters. She is a former legal secretary. Mrs. Young is a native of Paris, France, attended Washington University, St. Louis, and completed a course at St. Louis secretarial school. She is in her third term as

**INSTANT CLASSROOMS**—At Southern Illinois University, Carbondale, work is being rushed on this temporary classroom building to partially compensate for space lost when Old Main was destroyed by fire, June 8. The building, which will provide 20 classrooms, is scheduled for completion before fall quarter classes begin the evening of Sept. 23. A temporary office structure being erected adjacent to the classroom building will have room for 50 office desks which will be available "in rotation" for more than 150 teachers.

chairwoman of the Madison County Republican party and is a member of the Board of Madison County Federation of Republican Women. She served as chairman of Gov. Richard Ogilvie's campaign in the 23rd Congressional District last year.

Lucien B. Ringier, 56, of 977 Whitelaw, Wood River, owner and operator of the Rings Artcraft Manufacturing Co. in Wood River. He is married and has eight children. He is a native of East Alton, a charter member of the Knights of Columbus 2944 and a member of the Wood River Chamber of Commerce 24 years.

Ringier has been active in politics for 19 years, serving one term as a member of the Wood River city council and one term as mayor. He decided not to seek re-election as mayor to make the bid for the convention post.

Bloice W. Yount, 54, of 1800 Hunnicke street, Edwardsville, operator of the Magna Accounting System in Edwardsville. He is married and has two daughters. Yount, who has more than 20 years of marketing and management experience, is the founder of the National Business Association and is one of the founding officers of the Legislative Research Association.

**Backs Legislative Limits**

Yount said he favors constitutional change that will increase the liberty or opportunity of individuals in the communities. In addition, he said, he would like to limit the number of bills introduced in each session of the legislature, with a deadline for submitting bills so that hearings can be held and better con-

sideration given to each measure.

Ray Johnson, 42, of 315 East Center street, Troy. Johnson is an auditor and accountant, is married and has two children. He holds a bachelor's degree in business administration and a master's degree in education. He was editor of the Troy Tribune for 13 years and was a member of a corporation that owned 14 papers in Illinois.

Johnson also has taught school in Nebraska, Ill., and Stratford-on-Avon in England. Johnson said he is interested in revision of many of the tax provisions of the old constitution.

Dan O'Neill, 31, of 853 McKinley Blvd., Alton, a state representative and former administrative aide in the Illinois attorney-general's office. O'Neill completed work on his law degree in August and will receive his degree in February. He also holds a bachelor's degree in economics. He is a member of the Alton Knights of Columbus and the Elks club. He is unmarried.

O'Neill said that "the system of constitutional government we have created in America demands a flexible constitution, one that can expand or contract in response to popular need. It must permit three branches of government to accomplish their duties."

Alan Franz, 39, of 513 Jefferson road, Edwardsville. Franz is an employee of the Remer Vending Co. in Edwardsville, is married and has three children.

**Urges Judicial Reform**

Franz advocates judicial reform in the new constitution, noting that all methods and present views should be thrown out. He said the courts are very much in need of an overhaul from top to bottom. He also supports a move to take school administration out of politics, with the first step the establishment of the school superintendent's office as an appointive one.

Wendell Durr, 31, of 1028 St. Louis street, Edwardsville, an attorney for the past seven years. Durr is married and has three daughters. Durr holds a bachelor's degree in psychology and a law degree from the University of Illinois.

He is president of the board of directors of the Edwardsville YMCA and is a member of the Illinois Bar Association. He is city attorney for Troy and Livingston and is park district attorney for Tri Township. He formerly was an assistant state's attorney. Among other things, Durr says all members of the judiciary should be required to stand for election "against other men and not on their record" and that all members of the judiciary should be required to file statements of their financial interests.

**Auto Fire, \$50 Loss**

A faulty carburetor caused a fire in the 1963 auto of Betty Chase, 3209 Maryville road, about 4 p.m. Saturday, resulting in \$50 damage to the car. The blaze occurred on the lot at a Narnes Village shopping center.

**Fire in Mailbox**

Firemen were called to the mailbox outside the offices at Kirkpatrick Homes, shortly before noon Friday to extinguish a fire in the box. It is believed a cigarette had been tossed into the box. No estimate of the loss was available.

## New Local Dog Club Plans Obedience Demonstration

The Quad-City Dog Club, a newly-organized group of dog owners who emphasizes the owners' responsibility to train and care for his animal, especially a large dog, to prevent it becoming a public nuisance, will present an obedience demonstration starting at noon Saturday near W. T. Grant's garden supply area on the Narnes Village shopping center parking lot.

The public is invited to view the demonstration to be given by club members who will prepare for Saturday's performance with a rehearsal at 6 p.m. Wednesday on the 24th street parkway at State street.

Several Doberman Pinschers and wire-haired animals will be among the breeds taking part in the obedience demonstration with their owners.

Members in the Quad-City Dog Club are open to owners of any breed of dog, a spokesman said. Mrs. Christine Shaffer is acting president, with Mrs. Ann Stepanek as corresponding secretary. Both women are from Granite City.

Dog owners interested in joining the group, which has a membership of about 20, may attend a club meeting, held at 7 p.m. in the Tri-Cities YMCA.

on the second Wednesday of each month, or may contact Mrs. Shaffer at 931-3805 or Mrs. Stepanek at 931-5553 for information.

Club member Leonard M. Fuchs of Granite City said the purpose of the new group is two-fold — to help people with registered dogs to groom and train the animals for shows and assist owners in upgrading the breed of different dogs by securing top stud service.

Equally as important, Fuchs said, is to provide the dog owner an opportunity to learn the basic fundamentals of training their animals in obedience. More people than ever before have dogs, some as pets but many are getting large animals and wire-haired animals will be for personal and property protection, he noted. Fuchs went on, "These animals must be cared for properly and not allowed to roam at will. Many dog owners are unaware they are responsible for the actions of their animals at all times and that dogs, especially large breeds, must be restrained and taught obedience," he added.

Apart from the public demonstration on Saturday, club members are planning a series of obedience training classes for all area dogs and their owners, Fuchs advised.

## John A. Haywood, 69, Dies at Highland

John Alfred Haywood, 69, of 150 North Aurora (Brainer Home), Collinsville, father of Mrs. Anthony (Loretta) Zeddeke of Granite City, died at 8 a.m. Saturday at St. Joseph Hospital in Highland. He had been hospitalized since Aug. 28 for a heart condition.

Born in England, Mr. Haywood, moved with his family to Nova Scotia at the age of six and to Glen Carbon to make his home when he was 16. He has been a resident of Collinsville for 15 years.

An employee of the government, he was retired cataloguer and had been employed at the Mart Building in St. Louis.

Mr. Haywood was a member of Christ Episcopal Church of Collinsville, the Moose Lodge of Collinsville and the Laborers Local in Glen Carbon.

His wife, Mrs. Ellen Critchley Haywood, died five years ago.

Other than his daughter, Mr. Haywood is survived by the son, Melvin Haywood of Collinsville; a sister, Mrs. Edgar (Nellie) Holtgreve of Collinsville; two brothers, George Haywood of Deltona, Fla. and William Haywood of Marine, Ill.; and four grandchildren.

Funeral services will be conducted at 1:30 p.m. Tuesday at the Christ Episcopal Church in Collinsville and interment will be at the Glen Carbon Cemetery.

## Creative Arts Courses Are Offered This Fall

The Metropolitan Education Center in the Arts has provided the Granite City school district with application forms for student participation in Meca Saturday Centers during the 1969-1970 academic year.

The centers, situated in five locations in the metropolitan area, offer instructional programs in plastic arts, theater, dance, music and creative writing.

Designed to provide "hands-on" experience in a variety of media, each Saturday Center accommodates 125 fifth through twelfth grade students in a weekly sequence of activities under the guidance of working professionals in the arts.

Most of the instruction takes place from 9 a.m. to noon, although the program at some centers continues during the early afternoon.

The centers are intended to serve children who have high motivation and creative potential in the arts. Those who would like to have their child participate may call Mrs. Sally Sowell at the Granite City board of education office, 876-6600, for an application form referral to the center.

Students are to take the form to the center of their choice on either Saturday, Sept. 20, or Sept. 27, 9 a.m. to noon, for registration.

Locations are the Page-Park YMCA Center, Wohl Auditorium, 5555 Page Blvd., St. Louis; Laclede Center, Meca Building, 4242 Laclede, St. Louis; Alton Center, Alton SIU-SW Campus, Loomis Hall, 2800 College avenue, Alton; South County Center, Webster Groves high school, 100 Selma; and West County Center, Humanities Building, Florissant Valley Community College, 3400 Pershall road.

Fees at the first two centers are \$5 per semester; at the other three centers, \$10 per semester. Fees are waived for those who demonstrate inability to pay.

**MOLTEN STEEL** is tapped from an electric furnace at an Amsted steel foundry. Steel was the foundation from which Amsted grew; the company's original business was the production of steel

castings for railroads and industry. Today, its products serve virtually every industrial market and its sales in fiscal 1969 will be over a quarter of a billion dollars.

## AMSTED, Parent of American Steel Foundries, Operates 39 Plants

American Steel Foundries, with its plant in Granite City, is a well known and important employer in this area. A. P. Steinhilber, works manager, is extremely active in local community affairs.

However, while most Americans know ASF and its people, they are not as familiar with its history, products, management philosophy and future goals. This first article traces the company's origins from its founding in 1902.

Today, Chicago-based Amsted Industries is a company with annual sales of more than \$200,000,000. It operates 10 manufacturing companies with 39 plants in 16 states and Canada.

Its 11,000 employees turn out products for nearly every industry. The company's stock is traded on both the New York and Midwest exchanges, and Amsted stockholders now number more than 16,000.

The story of how this company grew to its present size and stature parallels the economic development of our nation. At the same time it is a story of imagination and the ability of people to meet the challenge of changing times.

Founded in 1902  
The company was founded on

June 25, 1902, as American Steel Foundries. It was organized by combining eight existing foundries in the East and Midwest. The men who were behind the consolidation were in part the same group who had put together United States Steel Corporation the year before.

It included such early industrial giants as Judge Elbert H. Gary, chairman of U. S. Steel's M. Schwab, who was later to head Bethlehem Steel; and Edward Shearson, the first controller of U. S. Steel who later formed the brokerage house of Shearson-Hamill.

The company, then as now, was the largest steel foundry organization in this country. Its first catalog contained 177 pages. Products ranged from a cam weighing barely over a pound to a shaft bearing for an ocean liner weighing 38 tons.

Even though a variety of cast steel items was offered, railroads were the company's principal customers. Thus, the spread of the railroads across our land and the history of ASF are closely intertwined.

Major railroad products made by the company in the early 1900s were side frames and bolsters for freight car trucks, locomotive frames, and couplers. The Simplex Railway Appliance Company in Hammond, Ind., was acquired in 1906 and freight car springs and brake beams were added to the product line.

Emphasis on Research Research for railroads became the company's hallmark. Most foundries did nothing more than pour steel into molds in the early 1900s, and the design of the product was the customer's responsibility. ASF helped change that and became a major contributor to railroad technology.

In 1905, a coupler development center was organized at the company's Alliance, O., steel foundry. One of its earliest projects was a machine which could slam two couplers together, coupling and uncoupling them six times a minute.

Engineers subjected new coupler designs to what they estimated was the equivalent of 80 years of service, and the work enabled the company to develop couplers which were far safer and longer lasting. As a sidelight, records reveal that the 60 hours of carpenter work required to build the coupling machine cost the company

\$16.50, while the expert assembler who put the device together got 25 cents an hour.

In 1910, the company set up a product engineering department at Granite City. This was the forerunner of the company's modern product development center at Granite City which today includes a test train to check out new railroad component designs under actual service conditions.

War Clouds in Europe Service for the railroads was ASF's primary contribution to the growing economy, but as war clouds gathered in Europe in 1918 the company added another vital activity... producing shell casings.

During world war I, more than a million shells were turned out at ASF plants in East St. Louis, Granite City and Indiana Harbor.

With the war over, the management of the then 17-year-old company took a harder look at expansion possibilities. In 1919, Griffin-Wheel Co. was purchased. It was a well-established producer of chilled iron railroad car wheels.

Griffin's sales were, for the most part, influenced by railroad repair and replacement business... a market which had a relatively stable sales dependent on products for the pattern.

## \$20,000 Dram Suit Filed For Victim of Beating

A \$20,000 dram shop suit was filed last week for Gary Hoffman, 24, of Granite City, against George E. Mathis, operator of the Town Tavern, 1312 State street, Madison, and Robert Smith, owner of the building, in Madison county circuit court at Edwardsville.

According to the complaint, Hoffman was beaten and injured by Greg Martin, who allegedly became intoxicated in the tavern on Sept. 8. A fight erupted at the tavern after Mathis refused to serve Shelby Wallace, 31, of Granite City.

## Miss Ritchie is Bride Saturday of John Kmiecik

Arrangements of white carnations, "mums and other flowers, together with white ribbons on the pews, provided the setting Saturday morning at Sacred Heart Catholic Church for the wedding of Miss Beverly Ritchie of Granite City, a daughter of Mr. and Mrs. Charles Ritchie of Salem, Mo., and John Kmiecik, a son of Mrs. Anna Kmiecik of East St. Louis.

The Rev. John Sullivan officiated at the 10 o'clock Mass, and a program of wedding music was provided by Mrs. Margaret Crawshaw, organist, and Mary Ann Astut, vocalist. The songs were "Wedding Prayer," "Ave Maria" and "The Lord's Prayer."

The bride chose a gown of white tulle with a fitted bodice and a jewel neckline. Lace sleeves tapered to points at the hands and a chapel train was attached at the shoulders with a bow and edged with lace.

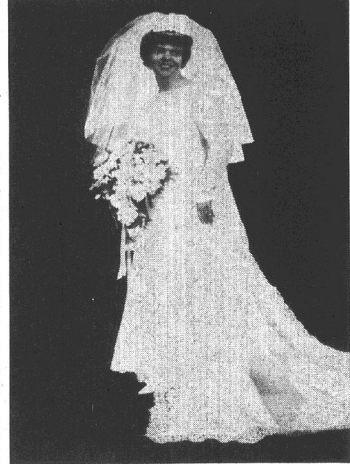

A three-tiered crown of pearls and sequins held in place a shoulder-length veil. The bride carried a cascade bouquet of miniature white "mums" centered with a white orchid.

The attendants were Carol McKinney, a sister of the bride, matron of honor, and Phyllis Abell, a cousin of the bride, and Pat Snyder, a sister of the bridegroom, bridesmaids.

Gary Berutti was best man, and Albert Dent, Robert Fanning, John Ritchie, a brother of the bride, and Jerry Bruno served as groomsmen and ushers.

The bride's attendants were dressed alike in mint green floor-length gowns. The bridesmaids wore of matching lace and the skirts ended in chapel trains. The sleeves were short. Headpieces were of green net and bows. They carried cascade bouquets of daisy pom poms and "mums" tipped with green.

A little flower girl, Sandra Zabawa, niece of the groom, was dressed like the older girls. A nephew of the groom, Rich-

MRS. JOHN KMIECIK. Her wedding took place Saturday at Sacred Heart Catholic Church. The bride is the former Beverly Ritchie.

ard Zabawa, carried the rings. The bride's mother wore a blue dress and black accessories. Her flowers were a corsage of white carnations tipped blue.

The wedding breakfast was held at the Grand Cafe after the ceremony, and friends of the couple attended a reception in the evening at the Polish Hall in Madison.

After a short trip, the newlyweds will live at 1810 August street. The bride attended the Granite City schools and is presently employed in St. Louis. Mr. Kmiecik, a graduate of Assumption high school in East St. Louis, also is employed in St. Louis.

## Werner-Bruder Nuptials At St. Margaret Mary

Miss Dona Bruder became the bride of William H. Werner in a late afternoon ceremony taking place Saturday at St. Margaret Mary Catholic Church.

The parents of the couple are Mr. and Mrs. Donald Bruder, 3310 Newell drive, and Mr. and Mrs. Raymond Werner, 4721 Vincent avenue.

Rev. Patrick Hawk, the bride's cousin, officiated, and the Rev. Hugh Cassidy gave the blessing.

The bride chose an imported Chantilly lace and peau de soie gown of the renaissance period. An open ring collar neckline had a scalloped lace edging and seed pearls and bugle beads trimmed the Empire bodice. Lace bishop sleeves had deep cuffs, a scalloped edging and a flaring skirt of peau featured a lace panel in the front, and a detachable train which was lace inspired.

A profile headpiece of lace and jewels was attached to a melody-length veil of imported French illusion and she carried a bouquet, an offside cascade, was made up of gardenias and variegated ivy.

The church was decorated with altar bouquets of white summer flowers and greenery, and hurricane lamps flanking the aisle through which the procession passed.

Miss Mary Ann Downs, a cousin of the bride, was honor attendant and bridesmaids included Mrs. Carol Ketter and Mrs. Karen Mega. They wore gowns of willow green chiffon with rounded necklines, Empire bodices and A-line skirts. Brief capped sleeves were banded in white Venise lace, and detailed at the back of the gowns were white satin panels with tiny covered buttons. Matching Venise lace daisy trim was used down the sides of the redingote. All three held cascades of yellow pom poms.

Randy Werner was best man with his brother, and Danny Shipp, Paul Sackett, Walter Bruder, the bride's brother, Tom Volpert, a brother-in-law of the bridegroom, served as groomsmen and ushers.

For her daughter's wedding Mrs. Bruder selected a light green costume suit with a beaded neckline and silver accessories. The bridegroom's mother was in a gold textured crepe suit and gold accessories. Both wore white orchid corsages.

A reception was held at the VFW hall directly after the ceremony. When they returned from a wedding trip, the couple will live in Granite City.

The former Miss Bruder graduated from the Granite City high school and attended a Belleville school of beauty culture. She is employed by a local beauty salon. Mr. Werner attended the local schools and continuing his studies at St. SW. He will graduate in June 1970.

MRS. WILLIAM WERNER, who was married Saturday afternoon at St. Margaret Mary Catholic Church. A daughter of Mr. and Mrs. Donald Bruder, she is the former Dona Bruder.

## Young and Twiehaus Wedding Saturday Evening

Miss Gaye Ann Twiehaus, a daughter of Mr. and Mrs. George A. Wagenfuhr of St. Louis, and Terry George Young, whose parents are Mr. and Mrs. Edward E. Young, 1725 Venice street, were married Saturday evening at Central Christian Church, 200 Johnson road.

White flowers on the altar, candlelight and white bows on the pews provided the setting for the 7 o'clock ceremony performed by the pastor, Rev. James R. Craddock.

Mrs. Becky Mendenhall was organist and the soloist was Dennis Skerik.

A gown of white sateu and peau d'ange lace was worn by the bride. It was designed with a boat neckline, long full sleeves with bishop cuffs and a modified A-line skirt. A flowing court train attached at the neckline, was enhanced with three roses. Motifs of lace and seed pearls and bugle beads ornamented the bodice, sleeves and the skirt. A silk illusion cloud veil was secured to a headress to co-ordinate with the gown. Her flowers were white carnations surrounding an orchid.

The attendants were Mrs. Paul K. Michaelree and Danny Hawkins, a cousin of the bridegroom. The former was dressed in a pale yellow gown and carried a bouquet of carnations tinted yellow, orange, and rust.

Ushers were the bridegroom's cousins, Roger Hawkins and Kenneth Odum.

The bridegroom's mother chose a dress of apricot saki with matching accessories and a corsage of carnations tinted the same shade.

A reception was held in Fellowship Hall of the church directly after the ceremony. The couple will live in Overland, Missouri.

The former Miss Twiehaus graduated from Southwest high school and attended Washington University. Mr. Young graduated from the local schools and Central Methodist College in Fayette, Mo. He is currently a physical education instructor in Ritenhour school district.

## Guests Attend Shrine Meeting

Gabriel Shrine 78, Order of White Shrine of Jerusalem, held a stated meeting Thursday evening.

Three petitions were received and three others were elected to receive the degree of the Order.

Mrs. Alma Rixman, supreme worthy guardian, and Mrs. Betty Calder, supreme queen's attendant, both of Trinity Shrine in St. Louis, were escorted and introduced, and Mrs. Rixman was seated in the East for the evening. Gabriel Shrine officers were also escorted, and after being introduced were presented with gifts from the Shrine. Each officer in turn introduced his co-workers. About 200 members and guests from other Shrines attended the meeting.

Mrs. Alice Jones is worthy high priestess, and Louis Marlette is watchman of shepherds. Announcement was made of a ceremonial to be held at the October meeting.

## MRS. SANTAGATO HONORED BY CLUB

Mrs. Leona Delaloye, 2683 Washington avenue, entertained members of the Buncoettes at her summer home in Alton Thursday evening and the club celebrated the birthday of Mrs. Helen Santagato.

The hostess utilized a royal blue and gold color scheme in the table appointments with a draftwood and floral centerpiece and matching accessories. Mrs. Santagato was presented with a gift and a decorated cake, using the main color theme, from the club members.

The remainder of the evening was spent playing games and prizes were awarded to Mrs. Delaloye, first, and Mrs. Evelyn McColeggin, Mrs. Helen Lipchik, Mrs. Santagato and Mrs. Julia Portell.

A dessert luncheon was served by the hostess to those mentioned and Mrs. Florida Batson, Mrs. Angie Buchler, Mrs. Juanita Blevens, Mrs. Rose Druhe, Mrs. May Ebling, Mrs. Ruth Ann Partney and a guest, Mrs. Rose Holtgrave. Mrs. Druhe will serve as hostess for the Sept. 25 gathering at 2600 Illinois avenue.

## MRS. WORTMAN DELEGATE TO NATIONAL MEETING

Mrs. Veratrice Wortman of this city will be among the GOP women attending the 15th Biennial convention of the National Federation of Republican Women in Washington, D.C., Sept. 26-28. A sizeable representation of members of the State's Federation's local clubs is also expected to attend.

Among the highlights of the convention will be a tour of the White House, a reception honoring the 1969 National Federation of Republican Women nominees and senators, and the "American Dream" banquet on Saturday, Sept. 27 at 7:30 p.m. The election of officers is the main item of business on the agenda.

Announcement of the Woman of the Year will be made at an Awards Luncheon Saturday, Sept. 27. The Illinois nominee is Mrs. Phyllis Schlafly of Alton.

## WELCOME PARTY FOR TEACHERS

As a welcome back party, the Altar Society of Sacred Heart Catholic Church will hold a spaghetti-covered dish supper at 6:30 Thursday evening in the church dining room for the returning teachers of the parochial school. The party is to take the place of the annual tea. Reservations are to be made with Mrs. Marge Saltich or Mrs. Barbara Walker, co-chairmen, by Thursday.

MRS. FRANK CARRIL, a Saturday bride, before her wedding at Holy Rosary Catholic Church in Fairmont City, she was Cynthia Lynn Novich, formerly of Granite City.

## Miss Cynthia L. Novich, Frank Carril are Wed

The wedding of Miss Cynthia Lynn Novich, a daughter of Mr. and Mrs. Frank Novich of East St. Louis, formerly of Granite City, and Frank Carril, whose parents are Mr. and Mrs. Joe Carril, also of East St. Louis, took place Saturday at Holy Rosary Catholic Church in Fairmont City.

Rev. Timothy Foley performed the noon ceremony, and the wedding breakfast and reception were held afterward at Fischer's restaurant in Belleville.

Miss Alexis Louise Novich, a sister of the bride, was maid of honor, and Miss Diane Turner, Miss Kathy Garcia, Miss Roberta Lukac, a cousin of the bride, Mrs. Gloria Cruz and Mrs. Kathy Blank, served as bridesmaids.

The bridegroom's nieces, Nancy Carril, and Sue Cates were flower girls, and Tom and Bill Niescur, cousins of the bride, carried the rings.

Joe Carril was best man for his brother, and the list of groomsmen and ushers consisted of Bob Sheroky, Alan Novich, the bride's brother, Ken Felty, Bob Ross, Phillip Mahoney, another cousin of the bride, Ray Carril Jr., and Fred Kurrie.

After a wedding trip to the Ozarks, the newlyweds will live in Granite City. The bride, a graduate of St. Teresa Academy, holds a secretarial position in St. Louis. Mr. Carril graduated from the Collinsville high school, Missouri Technical School in St. Louis, and is also a Honeywell Computer Engineering graduate.

## Mercer Wins 5-0, Advance to Inter-City Title Series

Mercer blanked Pocatontas 5-0 at Wilson Park and Collinsville downed visiting East Alton 2-1 in Inter-City Baseball League playoffs Sunday.  
Next Sunday, Mercers will travel to Collinsville for a 2 p.m. game at Fletcher field, beginning the final best-of-three series.  
Mercer hurler Don Rains fanned six and allowed four hits and three walks. His catcher was Roger Belke.  
Mike Weber pitched for Pocatontas, striking out eight and giving up nine hits and four walks.  
In the sixth, Mercer's Harold Tanksley and Steve Schardan singled, Charles Johannmeier forced Schardan, scoring Tanksley. Larry Corey, Bob Finke and Dave Sparks singled to make it 3-0.  
Johannmeier singled in the eighth, Corey walked and Sparks singled to load the bases. Johannmeier was out trying to score on a bunt. Corey then scored on an error. Don Rains walked and Bob Ketter singled for the final run.

## Registration Begins For Punt-Pass-Kick Yearly Competition

Registration for the ninth annual "Punt, Pass and Kick" competition for Quad-City boys eight through 13 years of age is taking place at the B. E. Mohr, Inc., automobile dealership at 1837 Madison avenue through Oct. 10.  
There is no body contact in the competition. There will be no entry fee, and no special equipment is needed. Participation does not impair a youth's amateur standing.  
Entrants compete only against boys of their own age.  
Scoring is based on distance and accuracy, with one point added for every foot of punting, passing and kicking distance, and a point subtracted for each foot a ball lands to the right or left of a center line.  
Competition begins at the local level and subsequently moves to zone, district, area, division and national levels.  
The six national winners will have their names permanently enshrined in the Pro Football Hall of Fame at Canton, O. Their trophies will be presented by Football Commissioner Pete Rozelle and the Notre Dame football coach, Ara Parseghian.

## Madison Trips O'Fallon 13-12 in Squeaker

Madison high school took 13-12 sweet revenge from the highly-rated O'Fallon Panthers Friday night at Madison.  
One year ago the Panthers humbled the Trojans 27-0.  
This year, Madison marched down the Panthers' throats, ripping apart the O'Fallon line. The Trojans spiced their attack with two passes for 47 yards and gained a total 199 yards.  
Madison head coach Al Vonder Haar has concentrated the pre-season practice sessions on refining offense. The hard-nosed Trojans on defense proved they didn't need excessive coaching attention by throwing back O'Fallon to a total gain of eleven yards.

Madison received the ball first and punted the ball on the fourth down. The punt was high and Trojan defenders surrounded the ball when it bounced there. Then, 130 pound Panther halfback Curt Goodman snatched the ball and scooted around the stunned Trojans for a 35-yard touchdown. The running conversion failed. Minutes later, the Trojans were forced to punt from their own end zone. A miscue caused a fumble and Panther Goodman recovered the ball for six more points. The Trojans denied the O'Fallon lost the ball on downs two point conversion. The first Trojan ended with O'Fallon ahead 12-0.  
Trojan Dwayne Shaw broke loose for a 30-yard touchdown

**TROJAN BOB SCOTT** (62) decked one Panther and prepares to block two with the ball follows the all-conference Scott.

and the two point conversion attempt failed. Before half time, Harold James ran for a five-yard touchdown. James kicked the extra point.  
During the second half the Trojans perforated to within scoring distance several times, but could not score.  
In the game's final minute, the Trojans denied the O'Fallon lost the ball on downs two point conversion. The first Trojan ended with O'Fallon ahead 12-0.  
Madison will host Rosary of St. Louis Friday, Sept. 19, for another non-conference game.

## Trapping Dates Set For Illinois Zones

Trapping season dates for mink, muskrat, raccoon, opossum, skunk, weasel, red or gray fox and beaver have been announced by the Illinois Department of Conservation.  
The season for furbearers except beaver opens at noon, Saturday, Nov. 15, and ends at noon, Wednesday, Dec. 31, in the Northern Zone. In the Southern Zone, the season begins at noon, Tuesday, Nov. 25, and will close at noon, Monday, Jan. 5, 1970. Beaver may be taken with spring traps from noon, Wednesday, Dec. 10, until noon, Saturday, Feb. 28, 1970, throughout Illinois.

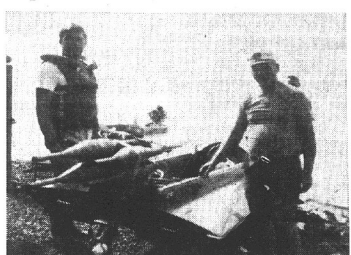

## Cougar Soccer Team Awaits First 1969 Game on Sept. 22

The 36-player SIU-SW soccer squad has named tri-captains for the season opening Monday, Sept. 22, on the Cougars' field against Blackburn College. Faceoff time for the opening game is 4 p.m.  
The three captains, all St. Louisans, are: Jack Blake, outside right; Jim Hoff, center back; and Jim Hunter, fullback. All are seniors and played key roles in the 10-0 record during the 1968 season.  
Bob Guelker, starting his third year as head soccer coach, says 11 freshmen have made the squad. "With this turnout, we will be able to field a junior varsity team, which will be coached by my assistant, Pat McBride," Guelker said. The javes will play a short schedule of games.

**Hodge Joins Team**  
The fresh kickers are John Barron, Rick Benben, Michael Boland, Dennis Driscoll, Vincent Fassi, Larry Green, Dan Hodge, Kevin Howe, Richard Kersting, Paul Moneyneppy and Austin Taylor.  
SIU-SW will have ten of its 11 regular 1969 starters back.  
In addition to tri-captains Blake, Hoff and Hunter, they are John Carenza, the Cougar's leading scorer in '68 with 26 points on 15 goals and 11 assists, and John Deimowski, Fred Faucett, Joe Galvin, Mickey Conway, Gary Nitz and James Stranz. Blake had 14 points and Faucett 12.

**SOCCER TRI-CAPTAINS** at SIU-SW for 1969 pose with their coach, the veteran Bob Guelker, during a practice session on the Cougars' field. The trio played key roles in the 10-0 record last year. They are, from left: Jack Blake, Jim Hoff, Coach Guelker and Jim Hunter.

## Victories by Local Pilots in Annual River Boat Races

Granite City boat pilots Bill Seebold Jr. and Paul Bogosian each won two events and Bon McFarland took one in the annual Kiwanis-Bowling club boat races sanctioned by the National Outboard Drivers Association on the Mississippi River Sunday.  
Several boats were damaged by rough water and one boat was destroyed in a collision. No one was seriously injured.  
The accident occurred during the day's final event, the professional hydro-A-class race.  
The wake cut from the boat of Richard Krier of Winterset, Ia., sprayed the boat engine of Bill Allen, Godfrey, Ill., and the engines stopped. Allen's boat was then struck by the boat of Mike Loffquist, St. Louis, who was trailing several boat lengths behind.  
Results of the events:  
C-pro-hydro: Seebold, Barry Wilson of St. Louis, Johnny Woods.  
C-service-runabout: Bogosian, John B. Carey of Spanish Lake, Herb Lowery of St. Louis.

## 2640 See Scott Win Midjet Auto Competition Here

Les Scott of Michigan won the Don Branson-Dale Mueller USAC Memorial midjet auto race at the Tri-City Speedway Sunday.

The half-mile dirt track was dry and drivers said it packed "like concrete." Dust clouds made visibility difficult and the 40-laps feature event was limited to 30 laps.

Scott led the pack of racers after the first turn and for the rest of the race.

Finishing behind him were Bob Tattersall 2nd, Chuck Arnold 3rd, Bill Engelhart 4th and Mel Keynon 5th.

The six-laps heat races were won by Bob Wente, Jim Kirk, Merle Betenhausen, Mike McGreevey and Jigger Series.

Tattersall won the trophy dash and McGreevey had the best half-mile qualifying time of 25.71 seconds.

Attendance was 2640.

## Gas Explosion Kills George J. Gauen, 68

George J. Gauen, 68, who resided here with a son and daughter-in-law for extended periods of time, was killed about 12:30 a.m. today when a gas explosion destroyed his home in Waterloo, Ill.

Charles A. Gauen, 2206 Village lane, said a neighbor of his father's reported detecting a gas odor about 11 o'clock last night in an alley near the Gauen home, 307 South Library street, Waterloo. Mr. Gauen had retired for the night and was not informed.

The blast leveled the 1½-story, five-room brick dwelling, described by Gauen as "constructed of solid masonry, including interior walls."

Today's explosion was the fourth to occur in Waterloo in about three years the local resident said. Three business establishments were destroyed by a gas explosion two years ago and a laundromat and house partly destroyed about a year ago.

Residents have complained to officials that connections may be faulty or other irregularities present in a new pipe line Gauen noted.

He retired three years ago from Monsanto Chemical Co. where he was employed many years as a foreman. His wife, Edna, died Dec. 26, 1966.

Other survivors are another son, Louis Gauen of Wheaton, Ill.; one sister, Mrs. Fred (Gladys) Ludwig of Waterloo; and seven grandchildren.

Funeral services tentatively are set for Wednesday at a Waterloo funeral home.

### Lunch, Milk Payments Made to County Schools

Wilbur Trimpe, Madison county superintendent of schools, has received and forwarded to schools in the county the May reimbursement for the school lunch and special milk program.

Included are 15 public school districts and 25 private and parochial schools. The federal reimbursement for the lunch program was paid at a rate of 7.92 cents for all paid lunches instead of the usual four cents. The total amount paid to the schools was \$65,175, including \$49,187 for lunches and \$15,988 for milk.

The increased rate of reimbursement for May resulted in the schools of the county receiving \$28,027 more reimbursement than would have been received at the usual rate. Trimpe said. The rate for May was determined by the amount of money still available in the federal school lunch fund.

### Parked Car Struck

A parked car owned by Robert L. Hudgens, 1524 Garfield street, was damaged Thursday when it was struck by a car driven by Gustavo T. Luna, East St. Louis, at 14th street and Madison avenue, police reported. Luna was headed south on Madison avenue when the accident occurred, officers said.

### Work Started To Extend Rail Line At Tri-City Port

Construction of an extension of railroad lines in the Tri-City Regional Port area on the Granite City riverfront has begun under a plan that will provide rail facilities along the full length of the Port area.

Carl Ranft, port manager, said the construction plans call for about 2100 feet of rail line to be added to the existing facilities.

When completed, he said, new operating facilities may be located by clients anywhere in the port and be provided rail access merely through installation of a spur line.

Ranft announced that the port district board also is studying a plan to install a truck weighing scale at the port to provide a needed service for port clients.

Under present tentative plans, the scale would be installed and operated by the Port Authority. Installation and operation of the system would be self-sustaining, he said, since the weighing would be done on a fee basis. Ranft said that last year 1120 trucks that needed weighing entered and left the port area. An additional 1500 trucks per year will require weighing when construction of new installations now under way at the port is completed.

### 3 Power Firms and TVA To Build Exchange System

Illinois Power Co., Central Illinois Public Service Co., and Union Electric Co. have agreed with the Tennessee Valley Authority to build major transmission facilities for large-scale power exchanges to gain further service reliability for the four systems involved.

Wendell J. Kelley, president of Illinois Power Co., said TVA has been inter-connected with the companies since 1952 through the transmission system of Electric Energy, Inc., a generation and transmission company sponsored by the three companies. Power has been exchanged on an emergency basis from time to time through the years.

Under the new agreement, emergency assistance will be greatly expanded and large amounts of power will be exchanged on a regular basis as well. The agreement provides that in an emergency, either TVA or the group of companies may request up to 300,000 kilowatts of power from the other. It provides for the exchange of power to achieve operating economies and during maintenance of generating facilities, and for the seasonal exchange of 200,000 kilowatts of power.

TVA's peak loads occur in winter because of electric heat but the companies' peak loads occur in summer because of air conditioning. Thus, TVA has reserve generating capacity when

the three companies have their greatest loads, and the three companies have reserve generating capacity when TVA has its greatest loads. This difference makes the seasonal exchange possible.

TVA will use 500,000-volt transmission facilities for the new interconnection. The three companies will use two 345,000-volt facilities. On the south side of the Paducah, and adjacent to TVA's Shawnee steam plant, TVA will build a substation with 1,200,000 kva of transformer capacity to connect the 500,000-volt and 345,000-volt facilities. TVA also will build a 500,000-volt transmission line from this substation to its Cumberland steam plant, which is now under construction about 50 miles west of Nashville, and two 345,000-volt lines across the Ohio River. From that point, the three companies will construct the 345,000-volt lines continuing one line to Mr. Vernon, Ill., and the other to Lutesville, Mo. While TVA is building the substation and river-crossing facilities, the companies will bear the cost of all 345-kv facilities and share with TVA the cost of the 500 to 345 kv transformation. The transmission facilities are to be ready for service by October 1972. Illinois Power Co. serves electricity in 15,000 square miles of Illinois.

### S&L Officials At Convention

Officer personnel, members of the board of directors and their wives and husbands of the three local savings and loan offices will be in St. Louis this week to attend the 90th annual convention of the savings and loan industry of Illinois at the Chase-Park Plaza Hotel.

The meeting opened Sunday and will continue through Wednesday. About 900 delegates and guests are expected at the sessions. Among the highlights will be a baseball game at Busch Stadium and the presidential reception.

An election of officers was held with Daniel J. Nicholas, president of First Federal Savings and Loan Association of Rockford, elected president of the Illinois Savings and Loan League. A. H. Froemling, president of Madison County Federal Savings and Loan, one of eight board members who will continue to serve next year to complete his term of service.

There will be awards to savings and loan association employees with 25 and 50 years service, panel discussions with experts in many fields giving short addresses, and the installation of officers.

Present from the First Granite City Savings and Loan Co. will be Mr. and Mrs. Leonard Hopkins, Mr. and Mrs. Paul Niebur, Mr. and Mrs. Leonard Fleishman, Mr. and Mrs. Arnold Fleishman, Mr. and Mrs. David Knollman, Mr. and Mrs. John Bassett, Mr. and Mrs. George Louis, Mr. and Mrs. Richard Wade, Mr. and Mrs. Howard, Miss Wilma Opich, Miss Betty Innon, Miss Vickie Schwartz and Mr. and Mrs. Edward Harris.

### Six Windows Broken At Dunbar School

Vandals broke six windows at Dunbar school during the weekend and the school apparently was entered through one of two windows which were left open, Madison police reported at 2:30 a.m. today. The vandalism was discovered by police on patrol.

Officers said three windows were broken on the Jackson side of the building, one was knocked out on the west side of the building, one knocked out on the north side of the new addition and one broken in the rear of the new addition.

The two windows left open were on the south side, facing Jackson street, they said.

Police checked the school but said nothing apparently was missing. Rocks were found in one of the rooms.

## Union Division Wins Award for Tower

Miles Laboratories, Inc., Union Division, has been awarded a Putman Food Award for its new corn syrup process, it was announced today.

These awards are presented every two years by Food Processing publications to companies who have made outstanding contributions to the food industry. The awards are based on entries submitted to a panel of judges selected from experts in the Food Industry.

R. G. Hlavacek, editor of Food Processing presented the award to E. E. Hartgerink, who accepted on behalf of the production and engineering personnel of the Division.

The Union Division award-winning corn syrup system is based on a continuous decolorizing process of corn syrup. The syrup is pumped through a 30-foot high tower which contains granular carbon.

As the syrup flows through the tower in one direction, the carbon flows in the opposite direction allowing a continuous system for decolorization of corn syrup.

The Union Division of Miles Laboratories is a major producer of corn syrup, corn starch, citric acid, caramel color and cyclamates used principally in the preparation of food and beverage products. Headquarters here, its domestic operations include manufacturing facilities here and in Elkhart and Edinburg, Ind.

Miles Laboratories operates worldwide with a broad range of well-known products, including Alka-Seltzer, One A Day Brand and Checkmate vitamins. Less well-known to the public is its original development of the Ames line of medical diagnostic reagents and its position in chemical research, biochemical research products, professional pharmaceuticals, electronic medical instruments, laboratory equipment and enzymes.

## SIU Medical School Is Topic of Meeting

Twenty-one persons from Springfield, predominantly doctors, were on the Southern Illinois University - Carbondale campus Thursday in the interest of developing the SIU School of Medicine in which Springfield will play a prominent part.

Held for the first time on the Carbondale Campus was a meeting of a joint board of trustees, composed of board members of St. John's and Memorial Hospitals in Springfield, which are cooperating clinical centers, and members of the SIU board of trustees. The joint board is working on development of the new school, expected to open at Carbondale in 1972. Accompanying board members were Springfield doctors and others who have an active interest in development of the program.

The group, which toured University buildings while on campus, included: James Graham, MD; Richard Allyn, MD; F. S. Barringer, MD; George Bunn; Sister Clara; Oscar Rastham, MD; George K. Hendrix; Richard Herndon, MD; G. K. Greening, MD; Grant C. Johnson, MD; Homer Kinnich, MD; Mother M. Noel; Robert V. Prather; Ross Schlicht, MD; Kenneth Schnepp, MD; Thomas C. Smith; Sister Jane; Robert Bowen, MD; Paul Miller, MD; and Alton Morris, MD.

They were welcomed to SIU by Chancellor Robert W. MacVicar and Dr. Richard Lee, director of University Health Services.

## Actors Wanted

## Hospital Group to Present 'Fractured Follies'

Jerome H. Cargill, Inc., of New York City, one of the country's leading producers of amateur theatrical shows, will serve as production consultants for "Fractured Follies," a variety show to be sponsored next month by the St. Elizabeth Hospital Auxiliary.

The theatrical event is scheduled to take place Friday and Saturday, Oct. 24-25, at Granite City high school auditorium.

Plans for the production in which all Quad-Cityans are invited to participate as a performer or viewer were discussed Thursday evening at a special meeting of the organizing committee, held in the hospital library.

Mrs. Marge Norwood, auxiliary president, who is co-chairing the fund-raising project with Mrs. Mary Kristian, announced the Cargill firm has been retained to supervise the show and furnish costumes for participants.

Proceeds from the variety show will be used to further the projects of the auxiliary in conjunction with hospital needs and recommendations of the St. Elizabeth administrators.

At present, the organization has pledged \$150,000 for the building fund and a \$55,000 to \$58,000 for the new coffee and gift shop, which opened this spring.

Committee members were advised a theatrical agent from the New York firm will arrive in Granite City in early October, remaining here in a production advisory capacity until the week of the show.

The group also discussed plans for a "Talent Night," the date of which has not yet been set, when local residents may audition for a spot in the two-night production. The professional agent will attend the auditioning event and guide the show's sponsors in selecting cast members, Mrs. Norwood said.

Chairmen appointed to head various committees, include Mrs. Helen Bergfeld and Mrs. Margaret Lee, co-chairman; program booklets and advertising; Mr. and Mrs. William F. Hoelscher, talent; Mrs. Lela Venka Meyer, publicity; Mrs. Vera Carey, tickets; and Dr. Felicia D. Koch, patron.

Among other assisting committee are Mrs. Mable Gaston and Mrs. Bea Rittenhouse. Another planning session is set for 8 p.m. tomorrow in the hospital library.

## Court Ruling Favors Madison in Bridge Suit

The Missouri Supreme Court last week ruled in favor of the city of Madison in a suit which sought the return of excessive tolls collected on the old Chain of Rocks bridge.

The high court upheld the decision of Judge Waldo C. Mayfield that the U. S. Army, and not the court, had jurisdiction over the bridge.

The suit was filed July 27, 1968 by the Missouri highway commission and some trucking companies seeking the return of \$7 million in toll payments.

The city stopped charging tolls for use of the bridge in September 1966.

## Page to Speak Sept. 24 On Vocational Education

Ray Page, Illinois superintendent of public instruction, will be the principal speaker at the vocational education meeting for school superintendents to be held at Southern Illinois University-Southwestern campus on Sept. 24. The meeting will be held at SIU-SW's Lovejoy Library auditorium starting at 2 p.m.

It will be one of eight meetings held throughout the state to set up to instruct school superintendents in all phases of the vocational education amendments enacted into law by the Illinois General Assembly in 1968.

## Black Egyptian Found Guilty in Robbery, Shooting

A circuit court jury returned a guilty verdict against Eddie Woods, 21, East St. Louis Egyptian leader, in connection with the armed robbery, kidnapping and shooting of a Madison service station attendant last March.

The victim of the shooting was Harry Snell, 21, of 2014 McCasland avenue, Madison, an attendant at the Derby service station on Route 203 south of Madison.

While testifying, Snell pointed his finger at Woods, stating that Woods was the man who shot him in the chest while he was abducted.

Snell testified that Woods had offered him a choice of being shot with a sawed off shotgun or with a .38 caliber revolver. After a brief scuffle in an Egyptian limousine, he was shot in the chest and was dumped on an East St. Louis street.

### Prosecution Witness

Also charged in the case was Michael Crockett, 21, a member of the East St. Louis Black Egyptians, driver of the car who had pleaded guilty to robbery and is seeking probation. He was a principal witness for the prosecution and related events prior to and after Snell was forced into his auto at the station.

A third defendant, Larry Isaac of East St. Louis, has never been arrested.

Other leaders of the Black Egyptians were on hand during the trial. Woods and his wife testified that he was not on the scene at the time of the shooting.

Snell, who was in critical condition after the shooting, said he still was unable to work.

Woods was given 30 days in which to file post-trial motions before sentencing by the court.

### 30 Area Crimes

The case was one of 110 listed on the criminal trial calendar which opened last Tuesday. Thirty of the cases involved Quad-City area crimes.

Three persons involved in an auto theft and burglary ring pleaded guilty and applied for probation. They are Richard Wilkerson, 18, of 2155 Waterman avenue; William Owens, 28, of 484 Redwood lane; and Ronald Davis, 17, of Rural Route Two.

Probation hearings were set for Sept. 26 for Wilkerson and Davis, and a hearing date has yet to be set for Owens.

John M. Kesterson, 18, of 1549 St. Clair avenue, pleaded guilty to two charges of theft, including a stolen car last July. A probation hearing was set for Sept. 26. Kesterson is AWOL from Fort Knox, Ky.

West Coast Permit

Michael Dino, 17, of Granite City, pleaded guilty to a robbery charge and was granted three years probation which he will be permitted to serve in California.

Raymond English, 17, of 2013 Grand avenue, pleaded guilty to a charge of battery and applied for probation, with a hearing set Sept. 26.

An aggravated battery charge against Raymond Niesporek of

DENTAL SCHOOL DEAN Dr. Frank J. Sobkowski of SIU-SW. Much interest in the planning has developed, and it is hoped to be able to accept students by 1971.

## Openings Remain in 'Y' Pre-Kindergarten Unit

Some openings remain in the YMCA pre-kindergarten center scheduled to begin on Tuesday, according to Charles Hasse, youth director.

The 18-session program, held from 1 to 3 p.m. Tuesdays and Thursdays, is open to all boys and girls four years of age.

Mrs. Pat Takmanjian will instruct the classes with the assistance of Mrs. Marty Herman, youth staff member. The fee is \$45 cash or \$51 on the payment plan.

Registration may be made by phoning the youth department.

## Driver Pleads Innocent To Traffic Charges

Lester C. Flanery, 1423 Madison avenue, pleaded innocent to a series of traffic charges Thursday and was released on \$50 cash bail.

He was arrested at 5:30 p.m. Wednesday on Niedringhaus avenue on charges of leaving scene of an accident at 1 a.m. Tuesday at 18th street and Delmar avenue, failing to give notice of a change of address, driving with fictitious license plates, failure to transfer registration and title and having no valid registration.

### Motorcyclist Charged

Richard E. Grider, 2066 Propes avenue, was arrested at 2:30 a.m. Friday at Highway 3 and West Pontoon road on charges of speeding his motorcycle at Nameoki road and Ames avenue, driving without a license, illegal transportation of liquor and attempting to elude police.

Granite City, arrested in the same case as English, was nolle prossed but he was ordered held for military authorities as being absent without leave.

Tom Weston, 19, of 113 Weaver street, Venice, pleaded guilty to a burglary charge and applied for probation, with a hearing set for Sept. 26.

## Dean Preparing For 1971 Dental School at SIU-SW

The dentist is at work at SIU-SW, but there is a lot to be done before he will be taking his first patients.

In fact, the dentist is really the dean of the new School of Dental Medicine—Dr. Frank J. Sobkowski. He has set up an office at the Alton Center campus. To date, he is the only dentist, administrator and faculty member for the school.

But help is on the way. SIU's board of trustees has appointed Dr. Larry Felkner to the faculty and he will begin his duties late next month.

Dean Sobkowski points out that he is anxious for the kind of academic help the new man will be able to provide. Dr. Felkner will be directing educational services and coordinating academic programs in dental medicine, according to the dean.

Right now it's almost one man against the calendar. Dr. Sobkowski is concerned with the initial planning of a curriculum and selecting a faculty. And, too, there's always the need to meet state and federal qualifications for funding.

All this work is in its very earliest stages. Dr. Sobkowski came to SIU-SW from the School of Dentistry at UCLA, where he was assistant dean. He moved his family to Edwardsville last month.

But in his office in Alton, he's planning for the school. The program in dental medicine will be community oriented. At this time," the dean said, "we are collecting information for planning clinics and community involvement. It will be some time before we've weighed all the alternatives and possibilities and have a firm plan to announce."

Renovation of physical facilities at the Alton center is another major project on the dean's check list of "how to start a School of Dental Medicine."

Plan Permanent Facilities

The school will be temporarily housed in Alton until permanent facilities can be approved and constructed at the Southwestern campus.

"While there is every concern to enroll a first class as soon as possible, we have to plan first," the dean said. "At this time I cannot give a definite starting date for the first class. There is a mountain of detail and programs to be meshed together."

Whatever timetable is completed for the students, it is also full-speed ahead in planning a program of continuing education in dental medicine. The dean hopes the SIU-SW program may be ready for operation even before the first class of students is enrolled.

Dr. Sobkowski is already getting letters from local residents about enrollment, the establishment of clinics and other service functions.

"I'm really pleased," he said, "to see the area residents' interest and endorsement of the school."

### Apples Break Windows

Louise Meyers, Sunnydale Acres, reported at 5:40 p.m. Friday that boys threw green apples through two upstairs windows of houses at 1645 and 1661 Olive street. The houses are under repair and are vacant.

## Little Effect Expected Here From New Clean Air Office

Plans by the Illinois attorney general's office to establish a Southern Illinois Pollution-Control Enforcement Division headquartered in East St. Louis are expected to have "very little effect" upon local enforcement activities of the Granite City clean air board, Henry Bieniecki, board chairman, said Friday.

While the new divisional control office will be responsible for enforcing pollution control in all Illinois counties south of Cook county, Bieniecki said it is his opinion the office will direct its attention to problems confronting the state air pollution control board, rather than enter into programs of local enforcement units.

Atty. Gen. William J. Scott announced that James D. Keenher, Belleville attorney, has been appointed to a new \$18,000-a-year post as chief of the southern Illinois enforcement office. Keenher had been serving as a special assistant attorney general in St. Clair county.

Based in St. Clair

Scott said the new pollution-control office will be based in St. Clair county but that Keenher will work out of the Springfield office until arrangements can be completed for an office in East St. Louis.

"I feel that Atty. Gen. Scott recognizes the extremely urgent nature of the pollution problem, and I'm happy to be able to play a part in the establishment of an effective pollution control program," Keenher said.

In the new post, Keenher is authorized to hire investigators, legal assistants and clerical aides to help enforce state pollution regulations in all downstate Illinois.

Keenher said that under re-

cently approved legislation the attorney general's office can operate independently in bringing suits against municipalities and corporations violating state pollution standards. He said he will seek the cooperation of municipalities and corporations but will not hesitate to file suits against them if they violate pollution laws.

### Concentrate Efforts Here

Keenher said he will concentrate his efforts immediately in the highly-polluted areas of Madison and St. Clair counties.

Bieniecki pointed out that the state has been without sufficient legal staff to fight court cases where pollution laws are resisted, particularly in the salvage industry which employs open burning.

"Now that the state has provided aid from the attorney general's office, I am certain these are the type of matters for trial on robbery charges."

they will concentrate on," Bieniecki said. "I expect the state operation to have very little effect on what we do locally in the way of enforcement."

### Jail Escapee Found

Robert O. Bridges, 23, of East Alton, one of five persons who escaped from the Madison county jail last July 18, was found guilty on a charge of aggravated battery Thursday in Madison county circuit court at Edwardsville.

He was charged in the stabbing of a sister-in-law last March. He still faces trial on charges of escape and armed robbery stemming from the jail break. The five escapees were captured in Toledo, O., where the other four are being held conduct charges. The complaint was filed by Linda Helocy.

### HOSSTESS TO CIRCLE

Mrs. L. C. Harlan was hostess to Circle One, United Presbyterian Women of the First United Presbyterian Church, Madison, in her home, 1724 Fourth street, Thursday afternoon.

A one o'clock dessert luncheon was served by the hostess at a dining room table centered with roses from her garden.

Mrs. Marion Fogle gave the invocation at the close of a social hour. Mrs. Harlan, president, opened the meeting with the group reciting in unison, A devotional from the "Today" magazine was presented on "The High Calling."

Announcement of the Fall Presbyterial to be held in Granite City Oct. 8, was made, and the ladies are to attend. A Bible study was given by Mrs. Elmer Burns, followed with a discussion on the topic.

Mrs. Fogle read an article taken from "Concern" on "Workship and Bible Study." Mrs. Burns reported on "Living Beati-tudes" and the "Fellowship of the least coin."

Mrs. Harlan closed the meeting with services from the year-book of prayer relating to work in Thailand and Pennsylvania. Mrs. Fogle gave closing prayer and benediction. Mrs. R. A. Gregg will be the October hostess.

### MADISON LITERARY CLUB BEGINS YEAR

The opening meeting of the Madison Literary club for the 1959-70 season was held Friday evening, with Miss Nelle Carr the hostess in her home, 2708 Harvey place.

Mrs. Estelle McBrien, retiring president, called the meeting to order with the Lord's prayer, pledge of allegiance and repeating of the club collect.

Mrs. McBrien called on Mrs. D. L. Kacaleff, installing officer.

In a candlelighting ceremony, she installed Mrs. Harry R. Johnson as president; Mrs. George Thomas, vice-president; Mrs. Marion Fogle, secretary; Miss Nelle Carr, treasurer; Mrs. L. C. Harlan, historian; Mrs. Henry Connors, critic; and Mrs. George Thomas, chorister. The program of installation was prepared by Mrs. Thomas.

Mrs. Johnson spoke to the club on current topics, stressing things that can be done to help beautify Madison.

Mrs. Elizabeth Deffenbaugh, a former member, was welcomed back into the club. Announcement was made of Madison county federated clubs' fall meeting Oct. 13.

An auction was held for summer travel memorabilia, with Mrs. McBrain as auctioneer. The funds will be used to assist in regular fall and Christmas donations.

Refreshments were served by the hostess, assisted by Mrs. Thomas, to Miss Grace Drickson and those taking part in the program. Mrs. Thomas will be the October hostess.

### BRIDAL SHOWER FOR MISS LINDA BARNETT

Miss Linda Barnett, daughter of Mr. and Mrs. Phil Barnett, was complimented with a bridal shower Thursday evening. The educational building of the First Baptist Church was appropriately decorated with white streamers and wedding bells.

The shower was given by Mrs. Naomi James and Mrs. Doris Hargrave. Miss Rose Mary Hackett and Miss Janet Hargrave assisted the bride-to-be in opening her gifts.

The remainder of the evening was spent playing games, with prizes awarded to each winner. Favors at each place setting were wedding bells.

MR. AND MRS. WILLIAM SIMPSON, who were married Saturday at Sacred Heart Catholic Church. The bride is the former Lorraine Szedlar.

## Miss Szedlar, Wm. Simpson Exchange Wedding Vows

In a ceremony taking place at 5 o'clock in the afternoon Saturday at Sacred Heart Catholic Church, Miss Lorraine Szedlar, daughter of Mr. and Mrs. William Szedlar, 1108 East 24th street, became the bride of William Simpson, whose parents are Mr. and Mrs. Bill Simpson, of Rural Route Two.

Miss Sylvia Spengler presided at the organ and played several selections including "Because," "I Love You Truly" and "Hawaiian Wedding Song."

The Rev. Kevin Sullivan performed the double-ring ceremony before the altar decorated with arrangements of white summer flowers.

A short white crepe shirt-waist dress was worn by the bride. It featured a rhinestone belt and trimming of rhinestones down the front. The same trim on the buckles of the peau de soie shoes and a short white lace mantilla formed the bride's headpiece. She carried a nosegay of pink roses, purple statice and daisies.

The attendants were Mrs. Phillip Achenbach, and James Simpson, a brother of the bridegroom; William Szedlar, the bride's brother; and Bill Fowler, a brother-in-law of the bridegroom, served as ushers.

Mrs. Achenbach wore a mint green crepe dress. Sleeveless, it was styled with a pleated skirt with a scalloped hem and a tailored collar. A tapestry ribbon was worn in her hair and she held a colonial bouquet of white carnations tipped with

### FAMILY AWARDS BANQUET

Members of the "Raiders" baseball team held an awards banquet Saturday evening at the home of Mr. and Mrs. Orlan Kirksey, parents of the team managers, at 3201 Killmore drive.

The team was playoff champion in the Larry Schreiber league, Blue division—Bantams. Triangle Heating sponsored the team, which was managed by Don Kirksey and John Robbers. A large sign reading "Triangle Heating. Playoffs Champion" greeted guests to the home, which was decorated in the team's colors, red and blue.

Welcoming speeches were delivered by the managers, and Rev. Wendell Garrison gave the blessing.

Those attending were Rev. and Mrs. Garrison and son, Greg; Mr. and Mrs. Charles Kirksey and sons, Mike and Ernie; Mr. and Mrs. Robert Stanton and son, Danny, and his grandmother, Mrs. Lucille Dalton; Mr. and Mrs. Charles Smiddy and son, Charles; Mr. and Mrs. Beasley and son, Phil; Mr. Hankins and son, Mike; Mrs. Wilma Deason and sons, Johnny and Joyce; and the Kirksey's son Tim, who was a member of the team and their daughter, Sandy, and Mark Wittenbrink.

Following dinner, Kirksey and Robbers presented trophies to each and gave a brief account of each boy's contribution. Members not at the banquet, who will also receive trophies are Jeff Odum and Bruce Groschong.

Mike Hankins was awarded the "Most Valuable Player of the Year" and received a special trophy. The "Raiders" also are playing football under the direction of Kirksey and Robbers. They are managing two teams, one in the Ken Gray league, and one in the Ron Hall league.

### BUS SURVEY PLANNED

Rev. Vernon D. Covington, pastor of Emmanuel Baptist Church, 1800 Pontoon road, has announced that the church will be conducting a survey of the Miracle Manor area on Saturday and Sunday, Sept. 20 and 21. This will be in preparation for the bus ministry to that area made possible by the recent purchase of a church bus.

Teams of workers will be calling on homes located on the following streets: Dawn, Bern, Robert, Orville, Miracle, Walter, and Vine between Miracle and Bern. A lapel card will identify each survey caller.

The workers will explain the bus ministry of the church and locate those persons that would like bus transportation for themselves and children.

Transportation to the church services will be free of charge, and current plans call for the bus to begin its run in the area, Sunday morning, September 25.

Russell Lewis, Jim Homoli, Kenneth Carr and C. B. Scott, all members of the church, will be in charge of driving the bus. Anyone wishing additional information may contact Rev. Covington at 877-1559 or 931-3384.

**TWINN MARK BIRTHDAYS**  
A Mickey Mouse theme created the setting Thursday for a party in the home of Mr. and Mrs. Leo Wofford in honor of their twin sons, Geoffrey and Gregory Wofford. The party was to celebrate the seventh birthdays of the twins.

Games were enjoyed by the children. Prizes were won by Jimmy Ambury, Dennis Smith, Jimmy Wingerter, Chester Wingerter and Gregory Wofford. In addition, each child attending the party was given a favor.

Other guests present were Jack Wofford, Rickie Hargrove, Steven Dodd and Gary Burnett. Refreshments were served by the hostess, Mrs. Wofford. She was assisted by Mrs. Bonnie Vaughn, Linda Vaughn, Beverly Wofford, Becky Ambury and the honoree's sister, Melba Wofford.

### BOY SCOUTS TO RESUME

Troop Four Boy Scouts will resume their regular Monday night meetings beginning Tuesday, Sept. 20, at 7 o'clock, under the leadership of Scoutmaster Bob DeLoria and Assistant Scoutmaster Bing Hurst. The boys are to be in the church basement of their sponsor, the Dewey Avenue United Methodist Church, at 7 o'clock. Any new boys wishing to join will be welcome. Also, a n y fathers who can do so are urged to attend and help.

### SISTERHOOD MEETS AT DEWEY METHODIST

A monthly meeting of the Dewey Avenue United Methodist Sisterhood was held in the church basement Friday evening.

The meeting was opened with singing of the theme song, "In the Garden," accompanied by Mrs. Lottie Squires.

A devotional and prayer were offered by Mrs. Jennie Webb. The devotional was entitled, "Who Am I?"

A short business meeting was conducted by President Mary Bunn. The original "pot luck" building fund dinner will be held again in the church basement on the third Wednesday of each month, it was decided.

The meeting was dismissed in prayer by Mrs. Leoda Cobian. Prayer was offered by Mrs. Jennie Webb. Refreshments were served in an autumn setting with an orange and brown background. The hostesses were Mrs. Bunn, Mrs. Alma Burnett and Mrs. Jennie Burnett.

Others present were Mrs. Elsie Boyd, Mrs. Emma Elmore, Mrs. Alma Davis, Mrs. Beulah Sparks, Miss Debbie Sparks, Mrs. Violet Miller, Mrs.

## UNREASONABLE STAND BY TEACHERS' LOCAL

To the Editor:

I have read with interest the many letters in recent weeks by many parents and students regarding the unreasonable stand taken by the teachers and their union.

As a tax payer and parent, I couldn't agree more with what they claim to be professionals—I'm a professional and I wouldn't think of striking!

I, too, have spent time and money on a college education. In addition, I have gone back to school and taken an additional 36 quarter hours of undergraduate work.

To further myself in my chosen vocation, I am now at work on my master's degree in business.

As the administrative assistant to the marketing manager, I hold, in my chosen line of work, fully as responsible a position as any teacher in our school system.

While I have been in business considerably longer than 12 years, I would gladly settle on a twelve-month basis for the salary being offered the teachers for nine months' work.

The teachers by their selfish actions have lost the respect of thousands of Granite City parents and taxpayers who, along with me, support their actions being taken by the school board.

The courts should give no time in granting an injunction and put teeth in it by fining each and every teacher for each day they fail to report to work.

Only when they are in their pockets—will they honor their obligation to our children.

A PARENT-TAXPAYER

MAJOR NEED—HIGHER PAY FOR INSTRUCTORS

To the Editor:

I would like to point out those generally accepted facts about the teaching profession.

First, there is in America today a shortage of qualified teachers. Although many advances have been made to improve the standards of employment, and to raise the professional status and competence of teachers, much remains to be done.

While, on the average, teachers' salaries have been increased over the years, they were a decade ago, they do not yet compare favorably with the salaries offered professional and prepared personnel in other fields.

Though salaries alone are not the whole answer to the teacher shortage, they constitute at least a major consideration; and increasing salaries should be the first effort in solving the problem.

Second, throughout history, educating the young has been a major responsibility of every society. In a democracy, this task requires the active concern of all citizens.

It is my sincere hope that the school board, the teachers' union, the Press-Record and the parents will cooperate with more maturity than they have thus far displayed to continue the education of our children.

MRS. ANNE WILSON  
GC Parent and Taxpayer

To the Editor:

MANY TEACHERS BEING PAID MORE THAN WORTH

To the Editor:

Teachers should receive a raise—that is, a very few of them, however, it seems that the demands should be in reverse.

It should be the Board of Education demanding better teaching. Too many of our teachers really shouldn't receive what they have in the past.

To be a teacher you merely have to show a piece of paper to have a lifetime job, no matter how they produce.

The teacher is no longer a professional. If you go to a "professional" physician and you feel he is not qualified or does not serve you properly, you are privileged to seek another.

The same is true with an attorney, engineer and other true "professionals." This is not the case with the teachers.

When they demanded tenure and were organized, they forfeited this title and put themselves on the level with the laboring man; hence, a time clock should be put at each school.

There are a few other rules that should be imposed. If you are a city employee, you are required to live within that city.

When you work for the water company, you are required to live in the communities the water company services.

Would it not follow that teachers who are paid through tax funds should also live in the school district from which they are paid?

I believe the public would be interested in the percentage of teachers who are employed by

the school district, but live elsewhere.

Our whole community has been saddened by the teachers' twisting and bending the law to suit themselves.

It is frightening to think of the consequence this may have on the young people now and in the future.

Who can accept knowledge from someone you cannot respect while they are telling you, "Do as I say—not do as I do."

A LOCAL PARENT

FAITH IN PEOPLE IS RENEWED BY ELECTION

To the Editor:

Defeat of the second attempt at village incorporation in the Chain of Rocks-Mitchell area was accomplished through the diligent efforts of a few people and the cooperation of the majority by casting a "No" vote at the polls Sept. 9.

It gives one to gain that the voice of the people can be heard in this great land of ours through the ballot box.

It also shows that mature, independent judgment can be made if only the facts of an issue are brought before the public. Intimidation, false promises and political pressures did not work.

My faith in my fellow man's ability and high quality of performance has been given a wonderful boost.

I am proud to be an American.

PRaises TEACHERS FOR QUALITY EDUCATION

To the Editor:

The parent who claims to be 100% behind the board isn't aware of all the facts.

In my opinion, the teachers' demands are realistic and valid.

Granite City has long been noted for its quality education. Their reputation is one of the finest in Illinois.

How do I know? Simple—my son a product of the Granite City.

He went on to college, deep into the world of science, computers, advanced math, complete with space technology. He made it all the way.

My gratitude toward his high school teachers is unlimited.

My appreciation for their concern and guidance cannot be measured in dollars and cents.

We might as well be ashamed to hold back for a few bucks, when our most prized possession is on the line—your children.

Let's be honest and fair. If we don't pay a better than average teacher salary, we can only expect mediocre teaching. In this world, you get what you pay for, nothing more, nothing less.

## SIU-SW Seeks Approval Of New Capital Request

The Illinois Board of Higher Education will consider capital requests from Southern Illinois University totaling \$68,524,210 at its October meeting.

SIU requests include \$24,210,869 for the Southwestern campus, \$32,075,801 for the Carbondale campus, and \$9,032,600 for the Vocational Technical Institute and \$3,703,000 for the university's new medical center in Springfield.

The SIU-SW requests did not include \$5 million for a performing arts amphitheater nor \$500,000 for its site development, sought previously.

The theater, which was to be the permanent home of the Mississippi River Festival, was removed from budget requests by the SIU board of trustees last month.

Six of 16 items on the list of capital requests for the local campus already have been approved by the higher board, but funds were not appropriated by the last General Assembly.

They include phase one of a fine arts classroom and office building group, \$7,038,700; site

development costs, \$250,000; utilities extensions, \$142,000; renovations, additions and campus improvements, \$105,000; residential utilities and site development, \$770,000; and planning funds, \$100.

New projects included in the request are phase one of a business division office and classroom building group, \$540,000; a science laboratory building, \$6 million; completion of phase one of a physical education building, \$3.2 million; completion of North drive, \$14 million; site development, \$400,000.

Heating and refrigeration plant expansion, \$12 million; planning funds for nine projects, \$854,000; utility extensions, \$576,000; a reservoir lake, \$1 million; and renovations and improvements, \$465,000.

A total of \$306,238,619 was asked for all state universities, colleges and junior colleges, including \$85,820,713 by the University of Illinois.

The higher board has approved a new master's degree in philosophical studies for SIU-SW.

## Six Divorce Decrees Granted Area Couples

Six Quad-City area couples have been granted divorces in Madison county circuit court at Edwardsville. Divorced were:

Josephine Bradley of Venice from Rudolph Bradley of East St. Louis. They were married March 4, 1968, in Madison. Cruelty was charged.

Carol Lilley from Larry Lilley, both of Granite City. They were married June 21, 1964. Mental cruelty was charged. Custody of two children was given to the mother, and the father was ordered to pay child support of \$100 per month.

Lloyd A. Belcher Jr. from Gwendia Sue Belcher, both of Granite City. They were married Dec. 22, 1963. Mental cruelty was charged. The mother was given custody of two children, and the father was ordered to pay child support of \$100 per month.

June E. Mefford from Jack L. Mefford, both of Granite City. They were married last March 1 in Granite City. Mental cruelty was charged. Her former name of June Mercer was restored.

Donna Davis from Thomas G. Davis, both of Granite City. They were married Jan. 25, 1966, at Edwardsville. Mental cruelty was charged. Custody of one child was given to the mother, and the father was ordered to pay child support of \$10 per week.

Constance E. League of Granite City from Rose Marie League of Houston, Tex. They were married May 24, 1958, and separated June 1, 1967. Description was charged.

The audit report this year refers to the practice and recommendations "that a separate fund be created for each tax levy in order to facilitate the accounting for receipts and disbursements pertaining to the specific purposes for which the taxes are levied."

Revenue during the year included general property taxes

## Venice to Use New Accounting System

A new system of bookkeeping under which the city of Venice will establish six separate fund accounts for receipt and disbursement of taxes levied by statute will be initiated under recommendations contained in the city's 1968-69 audit by Kemper, Fisher, Faust & Co., certified public accountants of Carbondale.

City Comptroller Carl Byrnes said his office will divide the city's accounting system into six separate financial operations for the General corporate fund, the garbage fund, street and bridge fund, police protection fund, fire protection fund and the road and bridge fund.

The latter account is made up only of the city's share of road and bridge taxes collected by Venice township.

In the past, all taxes collected for the city of Venice, although extended under separate statutes for each amount, were distributed directly to the general fund, and all claims were paid out of the general fund.

The audit report this year refers to the practice and recommendations "that a separate fund be created for each tax levy in order to facilitate the accounting for receipts and disbursements pertaining to the specific purposes for which the taxes are levied."

Constance E. League of Granite City from Rose Marie League of Houston, Tex. They were married May 24, 1958, and separated June 1, 1967. Description was charged.

The audit for the 1968-69 fiscal year which ended last April 30 shows the city's expenditures for all purposes exceeded income by \$69,554. Total revenue for the year amounted to \$209,358, and expenditures totaled \$288,912, the audit report shows.

Revenue during the year included general property taxes

amounting to \$484,342 and \$17,910 in state sales tax. Sale of licenses and permits accounted for \$12,340 and fee and fine collections totaled \$887.

The audit shows the city earned \$2450 in interest on investment of tax funds through purchase of time savings certificates. Other revenue included \$207 in motor fuel taxes and \$200 in reimbursements. Receipts also included \$100,000 borrowed from the working cash fund and \$280,000 received from sale of time saving certificates.

General expenses for operational purposes amounted to \$410,000. Other disbursements included repayment of \$100,000 to the working cash fund and \$100,000 to the McKinley bridge revenue fund. Expenditures also included the \$280,000 invested in time savings certificates which later were retired.

Tax distribution to special accounts included \$12,307 to the working cash fund, \$25,381 to the library fund, \$17,671 to the municipal retirement fund and \$42,813 to the police pension fund.

The city's library fund ended the year with a cash balance of \$21,972, according to the audit.

While expenditures out of the general fund exceeded income by \$88,564, the fund still ended the fiscal year with a \$1975 balance because it began the fiscal year with a \$71,540 fund balance, the audit states.

The McKinley bridge revenue fund ended the fiscal year with a cash balance of \$122,303, plus a \$600,000 investment in time saving certificates. This fund is being kept intact by the city to finance the Venice share of cost in building the Broadway underpass.

## Key Role at National Meet for Wittevrongel

M. A. Wittevrongel, administrative assistant in charge of vocational and adult education in the Granite City school district, served as leader of one of seven discussions highlighting a legislative seminar of the American Vocational Association at Washington, D. C. The three-day meeting ended last week.

Others selected as discussion leaders included such nationally known authorities as Dr. Walter M. Arnold, president, American Vocational Association Research Corp. Goal of the meeting was to develop a coordinated plan for legislation to be sought by the AVA establishing desirable federal policies on vocational education and manpower training.

While expenditures out of the general fund exceeded income by \$88,564, the fund still ended the fiscal year with a \$1975 balance because it began the fiscal year with a \$71,540 fund balance, the audit states.

The McKinley bridge revenue fund ended the fiscal year with a cash balance of \$122,303, plus a \$600,000 investment in time saving certificates. This fund is being kept intact by the city to finance the Venice share of cost in building the Broadway underpass.

## SW Council of Mayors To Meet in Millstadt

A program of movies and a talk on land conservation to demonstrate what coal companies are doing to beautify America will be presented by the Peabody Coal Co. at the regular meeting of the Southwestern Illinois Council of Mayors Sept. 25 at Millstadt.

Dinner will be served at 7:30 p.m. in the VFW hall, with Millstadt Mayor Tony Bangert and council members hosting the affair. Prior to the dinner, new Illinois mayors may tour the new Millstadt city hall, starting at 6 p.m.

## Honorary Post Given

GC Man by Georgia Gov.

William E. Stuart of Granite City has been commissioned as lieutenant colonel and aide de camp on the staff of Georgia Gov. James E. Eastland.

Appointment to the honorary post was learned last week by Stuart when he received the commission document.

The appointment came as a surprise to Stuart, who is self-employed in the Quad-City area as a carpet and linoleum installer. Some years ago, he was stationed about six months in Atlanta, Georgia.

## Released from Service

Gary Tebbe, son of Mr. and Mrs. Donald Williams, 2707 Harvey place, returned home last week after being released following four years service with the U. S. Navy. During his tour of duty he was in Japan and saw service several times in the Mediterranean.

## Park District Bus Trip To Ozarks set Oct. 12

Reservations are being accepted at the Wilson Park office for the Granite City park district's annual fall trip by chartered bus to the Ozark region of Missouri, it was announced today by Harold Brown, park superintendent.

The outing will take place on Sunday, Oct. 12, with accommodation for 180 persons on board four buses. Cost per person for the 225-mile round trip is \$6.75. The price includes a full-course fried chicken dinner at the Cobblestone Resort, in the Ozarks, and coffee served on board the bus.

Buses will depart from the Wilson Park parking area at 8:30 a.m. Oct. 12, although passengers will be asked to report at 8 a.m. Brown said. The route selected will take excursionists through many scenic areas of the Missouri Ozarks, the park official pointed out.

These making the trip will travel along Highway 66 to Highway 19 and south on 19 to Route 8. Four roadside stops will be made by the buses en route.

Reservations will be accepted on a first-come, first-served basis, Brown said. Further information may be obtained by calling 877-3039.

## October Draft Quota Calls for 25 Area Men

Forty-two young men from the Quad-City area are scheduled for induction and 38 others will be called for pre-induction physical examinations on Oct. 10, it was announced Friday by the Madison county Selective Service board at Edwardsville.

The area quota for this month calls for the induction of 15 and pre-draft physical exams for 42 on Sept. 26.

**Official Opposes Idea Of Postal Corporation**

By WARREN W. BUNDY  
Madison County Extension Adviser

A postal union official here said today that "business is not being sustained." Motion asked, "by charging book rental fees? Or put toll charges on all highways? Or assess use fees? Or what? Do you need police or fire protection? What kind of state universities would we have if education were limited to what the nation could pay?"

Ken Morton, president of the Granite City Local 182, United Federation of Postal Clerks, said "four basic fallacies" are listed: "That the business management is somehow better than government management."

"Who produced the Edsel?" Morton asked, "who hired private detectives to tail Ralph Nader? What does the president of a soap company or the Bank of America know about complex postal problems? We do know from Fortune magazine that in 1967 nearly half of the country's 500 largest corporations showed declines in profits. And more than a dozen failed every year."

"That the post office is in a mess only a corporation can rescue it." "The fact is," said Morton, "that we now swiftly move upwards of 80 billion pieces of mail every year. A figure considerably greater than the number of seconds which have ticked by since the death of Christ. Anyone who tries to translate oceanic mail errors into sweeping generalizations of postal service can and ought to be self-sustaining."

**Farm Column**  
By WARREN W. BUNDY  
Madison County Extension Adviser

Big bulky ears of corn may impress you neighbors, but big ears are really telling you your plant population was too low for the most profitable yield.

That's one thing you can read from corn ears. But corn ears can give other clues to help you check your crop-ripening skills and soil fertility programs.

Properly filled, twisted and stubby ears are sign of lacking fertility. Or they may indicate your population is too high.

A nitrogen deficiency often causes short ears with unfilled tips. Potassium deficiencies produce similar ears with loose, chaffy kernels.

A phosphorus shortage interferes with pollination and kernel fill. Affected ears are usually short, twisted and poorly filled. Corn silks are another sign. Keep in mind, however, that when dry weather occurs during the silking process, the silks aren't pollinated. The best test ears will also be poorly filled.

**Sign of Imbalance**  
If you find green silks on mature ears, you can "read" them as a sign of imbalance in your fertility program. Usually it's a case of too much nitrogen in relation to other elements.

Several farmers have asked when is the best time to cut silks when the silks are in the dent stage. The bottom leaves of corn are another sign. Yardstick for measuring proper cutting time. When the two or three bottom leaves turn brown, it's time to make the cut.

Silo filling can be one of the most dangerous jobs on the farm. Roughages containing high concentrations of nitrogen give off reddish-brown nitrogen dioxide or other nitrogen oxide gases when the silks are piled.

Nitrogen dioxide is a heavier-than-air, poisonous gas that collects on the surface of the silage. Humans or animals who inhale it become seriously ill. The gas has killed several farm animals.

**Ventilation Essential**  
Tips for protection against nitrogen dioxide poisoning at silo-filling time: Run the blower at least 10-15 minutes before entering a partly filled silo. The silage build up by the blower will disperse the gas. Good ventilation inside and outside the silo. Keep children and animals away from silos.

Proper ventilation inside and outside the silo for 7-10 days after filling.

Gases from silage operations can also be a danger for both pigs and poultry. These animals are most sensitive in a well-ventilated, adequately ventilated space. Humidity or animals who inhale it become seriously ill.

The gas has killed several farm animals.

**Traffic Charges Filed**  
Charges for speeding at 25th street and Madison avenue and operating an auto without a license were filed against Paul Jones, 18, of 604 Jefferson avenue, Venice, Sunday morning. Police said the speeding car was owned by Raymond Allen, 900 Twenty-fourth street, who was charged with speeding on Saturday.

**Accident on Lot**  
Two motorists heading out on the highway from the Nameki Village shopping center last Saturday morning were involved in a minor accident. Police said the accident occurred on the lot between Jackson and Wesley streets, 3001 Forest avenue, and Delores Loyet, 2810 Sunset drive.

**Crash on Jackson Street**  
A car crashed into a tree on Jackson street, East St. Louis, last Monday police here were forced over by an oncoming car while driving in the street.

## Fun Fair Booth, Social Events Planned by K.C.

Tri-City Knights of Columbus Council 1088 will sponsor a booth at the United Fun Fair Sept. 27-28 at Wilson Park, according to plans announced by Jack Fritsch, general program chairman, at a meeting Thursday night.

A feature of the booth will be a game in which wet sponges will be thrown at council officers. Prizes will be awarded to accurate throwers.

The council will hold a dance from 9 p.m. to 1 a.m. Sept. 27. Music will be provided by the Bill Brutt band.

Plans also were announced for a charity masquerade dance on Oct. 25.

The council donated \$250 to the Shrine of Our Lady of the Snows as the final installment of a \$1000 pledge. Members also voted to sponsor a women's bowling team.

John Kezman, faithful navigator of the fourth degree assembly, invited members and guests to the fourth degree of officer installation at 8 p.m. Thursday.

A photo album of past council activities was compiled and presented by Steve Salich, Columbus Home Association president. The annual meeting and election of officers of the home association will be held at the Sept. 25 meeting.

Arrangements are being made to provide a speaker to discuss the upcoming Illinois constitutional convention for the Oct. 23 meeting.

Plans to hold a series of "sing-alongs" during the year were announced by the general program chairman.

Rev. Lawrence Mattingly, former chaplain, presented brief remarks on a parochial school survey to be conducted by the National Catholic Education Association. A lunch was served after the meeting.

## Warns of Hiring Ban On Children Under 16

Child labor laws prohibit employment of children under 16 during hours when school is in session, Gerald J. Mitchell, regional director of the U. S. Department of Labor Wage and Hour division, warned today.

Mitchell, who noted that his division is conducting a back-to-school campaign, reminded farmers and other employers that the restriction was put into law so that young people would remain in school and get a proper education.

"Today's economy demands skilled workers," Mitchell said, "and one of the purposes of the law against child labor is to give youngsters a chance to get an education. They should be encouraged to make the most of this opportunity, and employers are obligated to see that children are not working when they should be in school."

## IPC Board Declares Regular Dividends

The board of directors of Illinois Power Co., at a meeting held in Decatur Thursday, declared regular quarterly dividends of 51 cents per share on the 4.68% cumulative preferred stock; 52 cents per share on the 4.20% cumulative preferred stock; 53 cents per share on the 4.26% cumulative preferred stock; 54 cents per share on the 4.42% cumulative preferred stock; 55 cents per share on the 4.70 cumulative preferred stock; and 30 cents per share on the common stock of the Company.

These dividends are all payable Nov. 1, to stockholders of record on Oct. 10.

## Madison Sailor Trains As Hospital Corpsman

Seaman Apprentice Roger D. Foreshee, USN, is attending the 14-week basic Hospital Corps School at San Diego, Calif. He is the husband of the former Miss Sharon K. Lowe of Madison and son of Mr. and Mrs. Beryl L. Foreshee, 826 Alton avenue, Madison.

The school, located at the San Diego Naval Training Center, is designed to train both men and women of the Navy and Coast Guard. In addition to attending classes, Seaman Foreshee has practical training at the Balboa Naval Hospital, where he works with physicians and nurses.

## A. O. Smith Earnings Up 30%, Official Says

Net earnings of A. O. Smith Corp. should be up about 30% to about \$4.26 per share for the first nine months of 1969, it was reported today by L. B. Smith, chairman and chief executive officer of the firm.

Addressing a luncheon of automotive analysts of New York, Smith said net earnings for the first nine months this year should total about \$10,650,000, compared with earnings of \$8,015,000, or \$3.22 per share, for the same period in 1968.

## Management Course For Nurses is Planned

A seminar on management for the professional nurse will take place Sept. 22-25 at Southern Illinois University Southwestern campus. The program, designed for nurse supervisors and head nurses, has tuition fees of \$80 per registrant.

Areas to be covered are the human side of the management process; planning, programming of patient care; staff conference techniques; brainstorming nursing problems; problem-solving; decision-making techniques; and group sessions. The seminar is co-sponsored by SIU's Business Division and Department of Nursing.

On the seminar faculty will be Arthur E. Hoover, associate professor and assistant to the dean of SIU Business Division; Lucille H. McClelland, dean, Department of Nursing; W. J. Christopher, president, W. I. Christopher & Associates, St. Louis; and George P. Mancuso, assistant professor, Business Division, and SIU Center for Business Services director.

## Major Crimes, Accidents Drop in GC in August

Accidents totaled 1082 for the first eight months of the year, up 21. Included were 258 personal injury accidents, down 22, with 333 persons hurt, down 18.

## Nameoki Board Moves On Sewer, Disaster Aid

The Nameoki town board authorized Supervisor Harry Briggs to file data required for a federal grant with the Housing and Urban Development Agency for sewers in the State Park Place area at a special meeting last week.

The board also authorized Lee Schlemmer, Madison county highway commissioner, to represent the township in seeking funds from the federal and state governments to repair damage caused by recent flood.

## Traffic Charges

Two motorists were issued arrest tickets Friday night by Venice police. Nicholas Kiselka, 2006½ Edwardsville road, was charged with disobeying a stop sign at Second and Hampton streets; and Fessor Gray, 215 Allen street, Madison, was charged with speeding on Broadway.
